

HOW I WISH TO INVEST IN MY COMMUNITY:

- COMMUNITY IMPACT (GENERAL)** **HEALTH/MENTAL HEALTH**
 SAFETY NET **WORKFORCE DEVELOPMENT**
 YOUTH DEVELOPMENT **HOLMES COUNTY (ONLY)**

OTHER UNITED WAY: _____

Community Impact: The United Way of Wayne and Holmes Counties' general fund and most effective way to fight against local poverty and fund our mission-driven work. By designating to this area you are making the biggest impact in the communities we serve.

Health/Mental Health: If you invest here, your dollars will assist families with access to physical health care, mental health care and help those who are in need of substance abuse treatment.

Safety Net: This area of investment focuses on organizations that assist those in poverty that need access to food, shelter and assistance with utilities.

Workforce Development: If you invest in this area, your dollars will work to increase earnings or benefits for the targeted impoverished population. Retain employment for at-risk employees and decrease turnover for employees, while assuring that individuals have access to substance abuse treatment.

Youth Development: If you invest here, you are helping to increase future successes for Wayne and Holmes Counties' most disadvantaged youth affected by poverty and its contributing factors, such as: kindergarten readiness, increasing academic achievement, decreasing absence at school and decreasing school

Holmes County (Only): These funds assist programs in Holmes County. All designations to this fund stay in Holmes County.

I want to volunteer with United Way! If you check this box we will contact you with volunteer opportunities.

Thank you!
